

## Zui sont-ils ?

---

**Mehdi Benatiya Andaloussi**

**Mehdi Benatiya Andaloussi** is an economist in the World Economic Outlook Division of the IMF's Research Department. His research interests span applied macroeconomics, and energy and resource economics. In the past, he held positions in area departments of the IMF, at the National Bureau of Economic Research, and at the World Bank. He completed his PhD from Columbia University and holds a master's degree from Mines de Paris.

**Andrea F. Presbitero**

**Andrea F. Presbitero** is an Economist in the Research Department of the International Monetary Fund, CEPR Research Fellow in the International Macroeconomics and Finance programme, and Associate Fellow at Johns Hopkins University, SAIS Europe. He has been Assistant Professor at the Università Politecnica delle Marche and Associate Professor of Economics at the Johns Hopkins University School of Advanced International Studies. He is an applied economist whose research covers financial intermediation, development finance, and international finance. He serves as associate editor of the IMF Economic Review, *Economia* (LACEA), and the Journal of Financial Stability

*Les « Matinales » du Club du CEPII sont des rendez-vous où experts, économistes et dirigeants des secteurs publics et privés échangent sur des sujets de l'actualité économique internationale.*
